For a typical Saturday wedding, you will have access from Friday morning (9am) to Sunday afternoon (1pm). Extensions may be agreed with staff, subject to availability and additional costs. Bar and licencing

Yoghurt Rooms does not have a license to sell alcohol. If you wish to sell alcohol at the bar, you may apply for a Temporary Events Notice (tens). Please see the link for further information:

<https://www.gov.uk/temporary-events-notice> You are welcome to bring your own alcohol and we do not charge corkage, but please drink responsibly!

Music policy

The barn has a strict music shut off curfew of 12pm. We do not allow any music in the barn after 12pm and will shut down the music at that time. We expect you, your band or DJ to adhere to that. We do have a cheeky after hours room available for any party goers still wanting to carry on. Silent discos are actually not at all silent. If you want a silent disco, this will still have to go into the studio after 12pm.

Trusted suppliers

We do not arrange catering. This is up to our guests to organise. We have plenty of friendly, professional and trusted affiliates who we can recommend to you if you want some ideas. Take a look at the Yoghurt Rooms Trusted Supplier List (<http://yoghurtrooms.com/wedding-services>) or just ask!

Fires

There is an open fireplace in the barn. We can provide wood for this and the additional outdoor firepit we have which is usually set up near the marquee.

No fireworks or Chinese lanterns.
